ODIHR's Key Observation

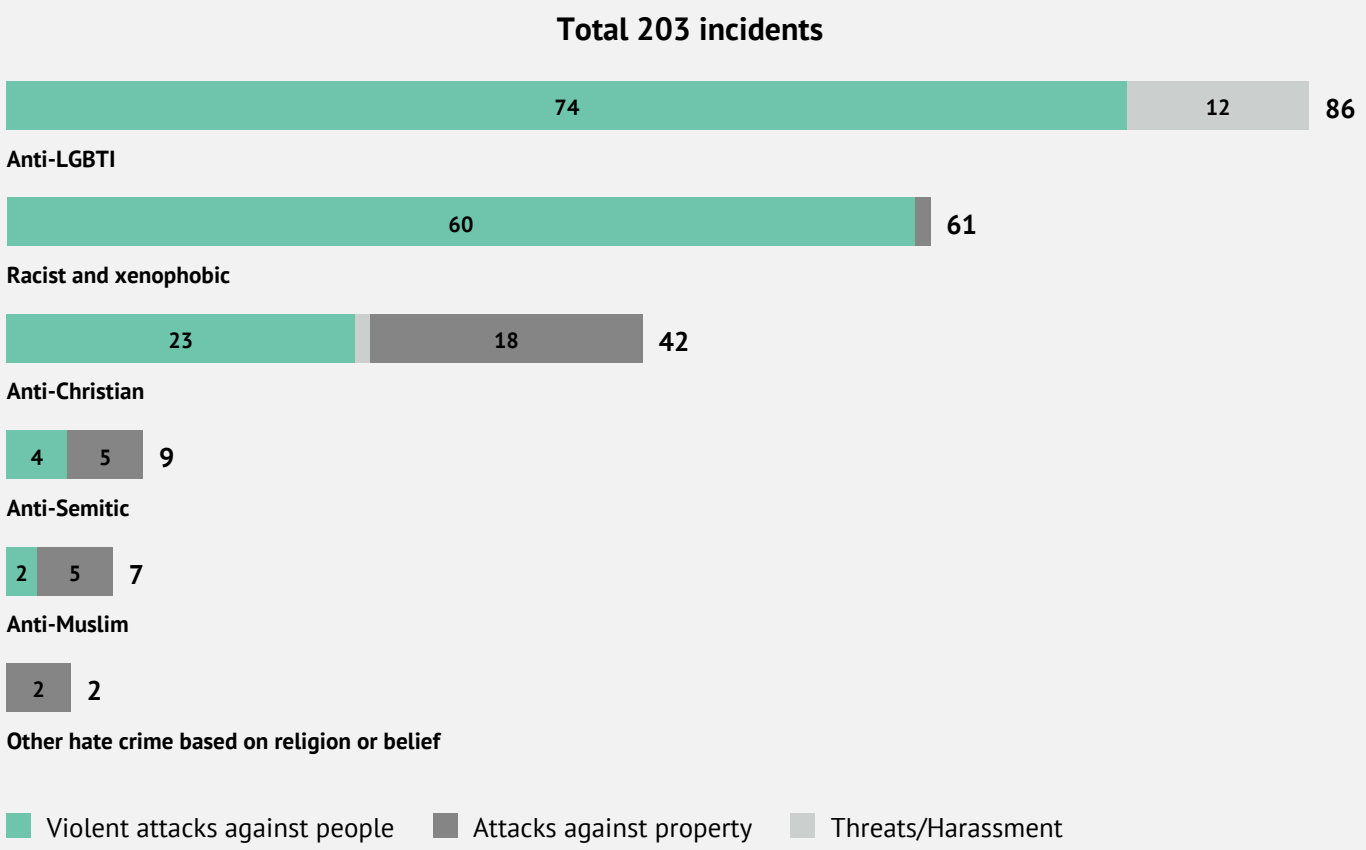
ODIHR observes that the Russian Federation does not collect data and statistics on hate crimes.

Official Data

Official statistics do not provide breakdown by bias motivation or type of crime. The numbers reflect recorded extremist crimes and include crimes falling outside of the OSCE definition of hate crime. Of the number of extremist crimes presented here, 26 cases involved violence or threats.

Year	Hate crimes recorded by police	Prosecuted	Sentenced
2016	1,450	993	676

Incidents reported by civil society



Please note that the total number of incidents may be lower than the sum of incidents presented in the breakdown chart above, as some incidents involve multiple bias motivations.

The SOVA Centre reported descriptions of incidents as well as statistical data. This explains the discrepancy between the graphic above and the incidents included below.
