ODIHR's Key Observation

ODIHR recognizes Andorra's efforts to report information and statistics on hate crimes to ODIHR. Based on the official information, ODIHR observes that Andorra's hate crime recording and statistics do not sufficiently distinguish hate crimes from other crimes. ODIHR also observes that Andorra has not reported data on hate crimes recorded by the prosecution and the judiciary to ODIHR. In addition, ODIHR observes that Andorra would benefit from raising awareness among and building the capacity of law enforcement and criminal justice officials to address hate crimes.

Official Data

Ten cases of discrimination and insults were recorded by police, but were not included here as they fall outside the OSCE's definition of a hate crime. Data are not collected on the application of Andorra's aggravating circumstance provision (Article 30.6).

To address under-reporting, ODIHR encourages any civil society organizations or groups that monitor hate incidents in Albania to report these to ODIHR at hatecrimereport@odihr.pl.
