Summary

Armenia regularly reports hate crime data to ODIHR. Armenia implemented ODIHR's programmes on Prosecutors and Hate Crime Training (PAHCT) and Training Against Hate Crime for Law Enforcement (TAHCLE) in 2021 and 2022, respectively.

In 2023, amendments to hate crime provisions in the Criminal Code of Armenia were developed within the framework of a parliamentary initiative in coordination with civil society. The amendments came into force in 2024.

ODIHR's Key Observation

ODIHR observes – in the context of the disparity between reported official and IGO/NGO information – that reliable data can only be collected through mechanisms that capture all cases reported to law enforcement, and that victims should be encouraged to report hate crimes.
