Summary

Armenia regularly reports hate crime data to ODIHR. Armenia implemented ODIHR's programmes on Prosecutors and Hate Crime Training (PAHCT) and Training Against Hate Crime for Law Enforcement (TAHCLE) in 2021 and 2022, respectively.

In 2023, amendments to hate crime provisions in the Criminal Code of Armenia were developed within the framework of a parliamentary initiative in coordination with civil society. The amendments came into force in 2024.

The Government of Armenia has adopted an Action Plan stemming from the National Strategy for the Protection of Human Rights (2023-2025). The Plan contains a number of measures to counter hate crimes. Action 4.7 provides for the development of guidelines for investigating cases of hate crime, hate speech, and discrimination for the police, investigative agencies, and the prosecutor's office.
