Summary

Austria regularly reports hate crime data to ODIHR. Implemented in 2021, Austria's new hate crime recording system represents a good practice in the region. The Austrian Ministry of the Interior is also a member of the civil society network "Hate Crime Kontern", which strengthens hate crime co-ordination and victim support, and cooperates directly with civil society organizations. Hate crime statistics collected by the Ministry are [published online](#) each year.

In January 2023, Austria implemented ODIHR's [Diagnostic Workshop to Assess National Structures and Services for Hate Crime Victim Support](#).
