Summary

Canada regularly reports hate crime data to ODIHR and regularly publishes [hate crime statistics](#). Canada conducts regular [victimization surveys](#) to measure unreported hate crime.

Canada has several interrelated and co-ordinated initiatives in place to ensure a comprehensive approach to hate crimes through government and community partnerships. Canada's '[Action Plan on Combatting Hate](#)' (Action Plan) and '[Changing Systems, Transforming Lives: Canada's Anti-Racism Strategy 2024-2028](#)' are two comprehensive initiatives that fund and support a variety of government and community-led projects on addressing hate. The initiatives were developed through extensive community engagement and build on existing strategies. The Action Plan foresees the creation of a Ministerial Advisory Council on Combatting Hate, which serves as a forum for ministers and community leaders to directly engage and exchange feedback on the Action Plan's implementation, and also to discuss existing and emerging issues on addressing racism and hate.
