Summary

Cyprus has regularly reported hate crime data to ODIHR since 2018. In February 2022, the Cyprus Police and Ministry of Interior organized a workshop on understanding and improving hate crime recording and data collection in co-operation with ODIHR and the EU Agency for Fundamental Rights. The workshop was based on ODIHR's Information Against Hate Crimes Toolkit (INFAHCT), and resulted in a set of recommendations for relevant state authorities.

Hate crime data are collected annually and published online by the Cyprus Police and its Human Rights and Combating Discrimination Office.

In 2017, the Cyprus Police signed a Memorandum of Understanding for the Protection and Promotion of Human Rights with 14 civil society organizations. The purpose of the Memorandum is to further improve and deepen co-operation between the parties for the protection and promotion of human rights.
