Police data by type of crime

In addition to the hate crimes presented below, the Danish National Police also monitored 214 incidents without charges and other investigative measures that had a bias motivation.

446

Unspecified crime type

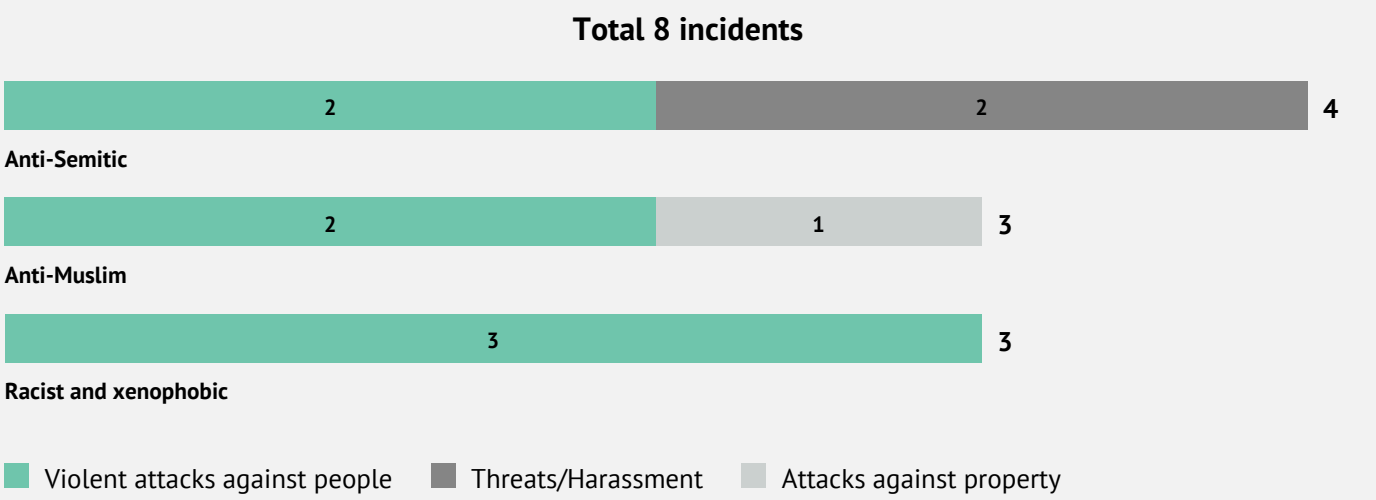
National Developments

The **National Police College** delivers an initial mandatory course on hate crime, in which police cadets are taught how to interact with targeted groups and how to communicate with victims in a respectful and understanding manner.

The **Danish National Police** offers officers a training seminar on hate crime as part of continuing education efforts.

The **Danish National Police** has continued a dialogue on hate crime with a number of significant stakeholders to establish closer and ongoing co-operation with civil society.

Incidents reported by civil society



Please note that the total number of incidents may be lower than the sum of incidents presented in the breakdown chart above, as some incidents involve multiple bias motivations.
