Summary

Georgia regularly reports hate crime data to ODIHR. Since 2020, Georgia has published an annual report on hate crime data following an inter-agency memorandum on co-operation. Georgia implemented ODIHR's Training Against Hate Crime for Law Enforcement (TAHCLE) programme in 2019 and the Prosecutors and Hate Crime Training Programme (PAHCT) in 2017.

In 2023, Georgia introduced the National Strategy for the Protection of Human Rights 2022-2030, which covers fundamental rights and freedoms with a particular focus on protecting vulnerable groups. In October 2023, a new memorandum was signed by state institutions representing the police, prosecution and judiciary to reflect additional responsibilities on collecting and publishing statistical data on hate crime.
