ODIHR's Key Observation

ODIHR recognizes Iceland's efforts to report hate crimes regularly to ODIHR. However, based on the available information, it observes that Iceland has not reported data on hate crimes recorded by the prosecution and judiciary to ODIHR. In addition, ODIHR observes that Iceland would benefit from reviewing the existing legal framework to ensure that bias motivations can be effectively acknowledged and appropriate penalties imposed on the perpetrators.

Official Data

Year	Hate crimes recorded by police	Prosecuted	Sentenced
2022	8	not available	not available

Police data by bias motivation

Police data by type of crime

Incidents reported by civil society

No data reported to ODIHR.
