### Summary

Ireland regularly submits hate crime data to ODIHR. Ireland's annual hate crime statistics can be accessed [here](#).

The [Diversity and Integration Strategy 2019-2021](#) of the National Police Force addresses the police response to hate crime. The Strategy's implementation is monitored by the National Diversity Forum, established in 2020 and comprising civil society and community groups. The police works closely with civil society to address hate crimes targeting Roma and Travellers, migrants and LGBTI persons, as well as in relation to hate crime training and hate crime investigations.

In July 2021, the Garda launched an online hate crime reporting system. In February 2020, Ireland co-organized with ODIHR and the EU Agency for Fundamental Rights a workshop on understanding and improving hate crime recording and data collection. Based on ODIHR's Information Against Hate Crimes Toolkit ([INFAHCT](#)) programme, the workshop resulted in a number of recommendations for relevant state authorities.

In April 2022, the Garda took part in ODIHR's Online [Training on Sensitive and Respectful Treatment of Hate Crime Victims](#). Also in 2022, a comprehensive and mandatory Online Hate Crime Training Programme for Garda officers was launched.

In 2023, the Garda formalized the reporting process between civil society and the Garda National Diversity Unit to facilitate reporting and reduce under-reporting of hate crimes.
