Summary

Moldova regularly reports hate crime data to ODIHR. In 2017, ODIHR and the OSCE Mission to Moldova co-organized a workshop for police, prosecutors and civil society on understanding and improving hate crime recording and data collection, which led to a set of recommendations for relevant state authorities.

Following a request by Moldova's Ministry of Justice, in 2016 ODIHR provided a legal opinion on draft amendments related to bias-motivated offences. ODIHR's recommendations were largely reflected in amendments to the Criminal Code adopted by the Moldovan Parliament and published on 3 June 2022. In 2024, ODIHR held a national hate crime data workshop in Moldova.
