Summary

Moldova regularly reports hate crime data to ODIHR. In 2017, ODIHR and the OSCE Mission to Moldova co-organized a workshop for police, prosecutors and civil society on understanding and improving hate crime recording and data collection, which led to a set of recommendations for relevant state authorities.

Moldova has set up a "Strategic Group" tasked with identifying gaps in the capacity of police to effectively identify and investigate hate crimes. Moldova's National Human Rights Action Plan (2018-2022) also addresses hate crimes, and has provided a basis for the adoption of internal action plans related to hate crime recording and data collection, hate crime investigation, and hate crime training.

Following a request by Moldova's Ministry of Justice, in 2016 ODIHR provided a legal [opinion on draft amendments related to bias-motivated offences](#). ODIHR's recommendations were largely reflected in amendments to the Criminal Code adopted by the Moldovan Parliament and published on 3 June 2022.
