ODIHR's Key Observation

ODIHR observes that Monaco has not reported hate crime data to ODIHR since 2013. In the absence of an official submission and statistics, ODIHR is not able to provide further observations on hate crime data collection in Monaco. In addition, ODIHR observes that Monaco would benefit from reviewing its existing legal framework in order to ensure that bias motivation can be effectively acknowledged and appropriate penalties can be imposed on the perpetrators.

Incidents reported by civil society

For 2024, ODIHR did not receive any reports of hate incidents in Monaco from civil society organizations. This is not an indication that hate crimes are not taking place, only that they have not been reported to civil society or to ODIHR.

To address under-reporting, ODIHR encourages any civil society organizations or groups that monitor hate incidents in Monaco to report these to ODIHR at hatecrimereport@odihr.pl.
