Summary

The Netherlands regularly reports hate crime data to ODIHR. Police and prosecution statistics are published annually. A victimization survey is conducted by the Central Bureau of Statistics every two years and the results are published here.

A National Co-ordinator against Discrimination and Racism, appointed in October 2021, is tasked with ensuring a comprehensive approach to countering discrimination and hate crime, in co-operation with civil society organizations (CSOs). A State Commission against Discrimination and Racism is tasked with conducting research into discrimination and racism, including hate crimes.

The Ministry of the Interior (MoI) regularly consults CSOs on anti-discrimination policies. In particular, the MoI has entered into a formal co-operation agreement with the CSO Discriminatie.nl, which monitors discrimination in the Netherlands.
