## 1 2013

## **Summary**

The Netherlands regularly reports hate crime data to ODIHR. Police and prosecution statistics are published annually. A victimization survey is conducted by the Central Bureau of Statistics every two years and the results are published here.

A National Co-ordinator against Discrimination and Racism, appointed in October 2021, is tasked with ensuring a comprehensive approach to countering discrimination and hate crime, in collaboration with civil society. A State Commission against Discrimination and Racism is tasked with conducting research into discrimination and racism, including hate crimes.

The Ministry of the Interior (MoI) regularly consults civil society organizations (CSOs) on anti-discrimination policies. In particular, the MoI has entered into a formal co-operation agreement with the CSO Discriminatie.nl, which monitors discrimination in the Netherlands.
