National Developments

Amendments to the Criminal Code have been adopted, including a hate crime definition, the introduction of specific penalty enhancing provisions for a number of offences and updates to the aggravating circumstance provision applicable to all offences in the Code.

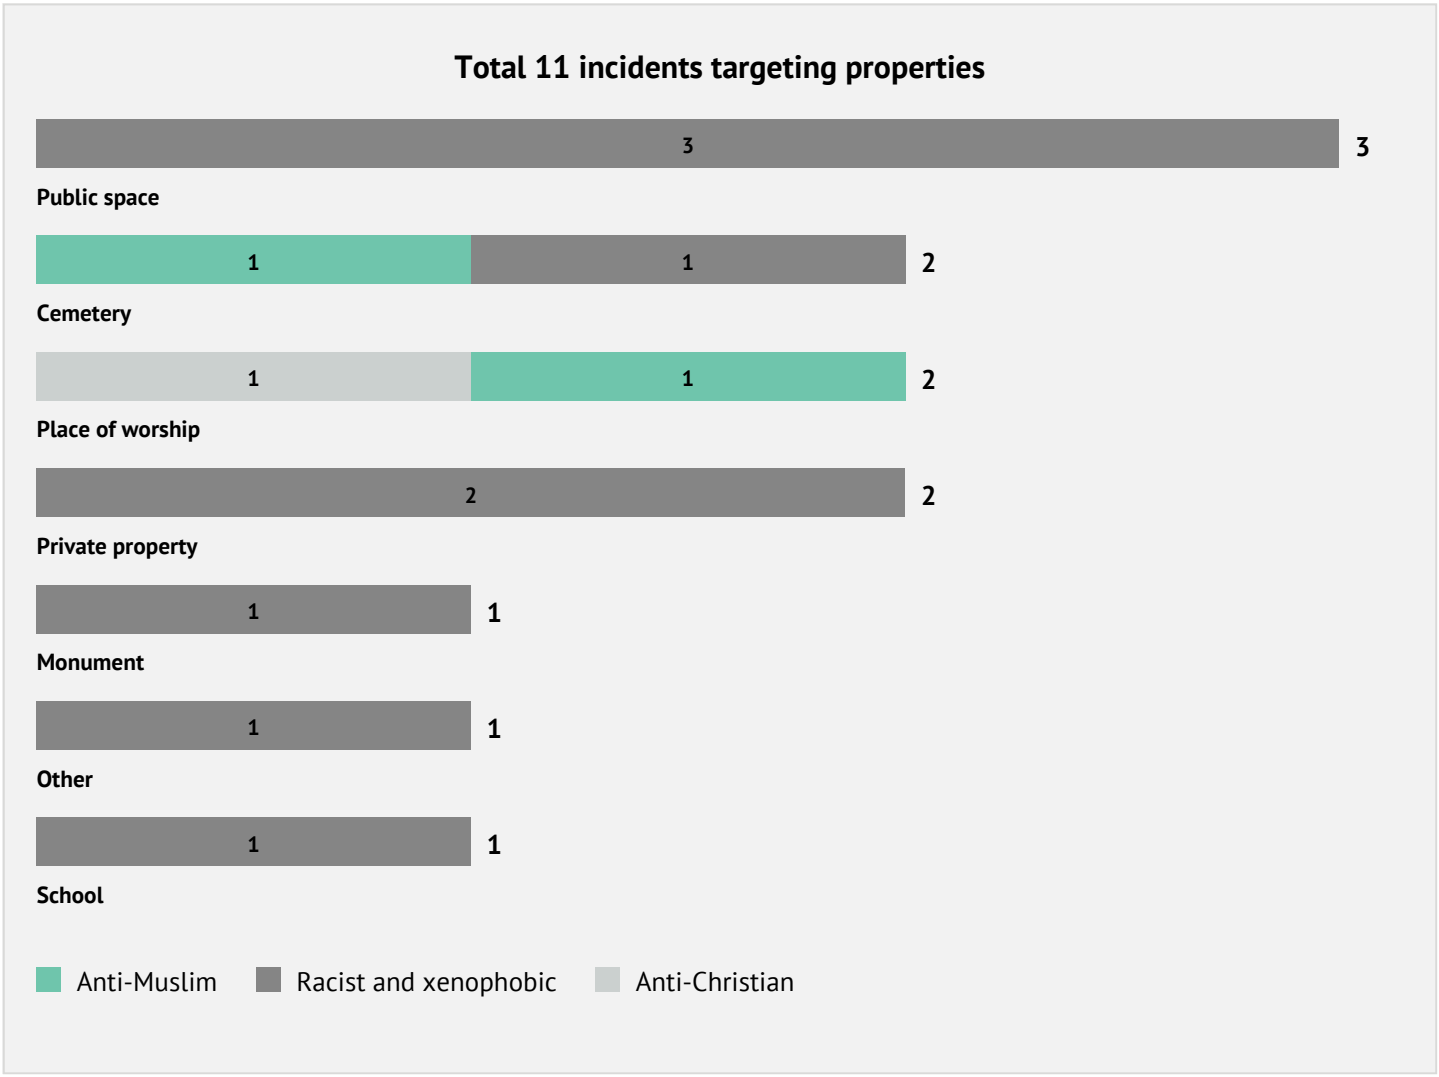

The **Ministry of Interior's Unit for Criminal Intelligence and Analysis** has begun keeping monthly records of hate crimes.

Incidents reported by civil society

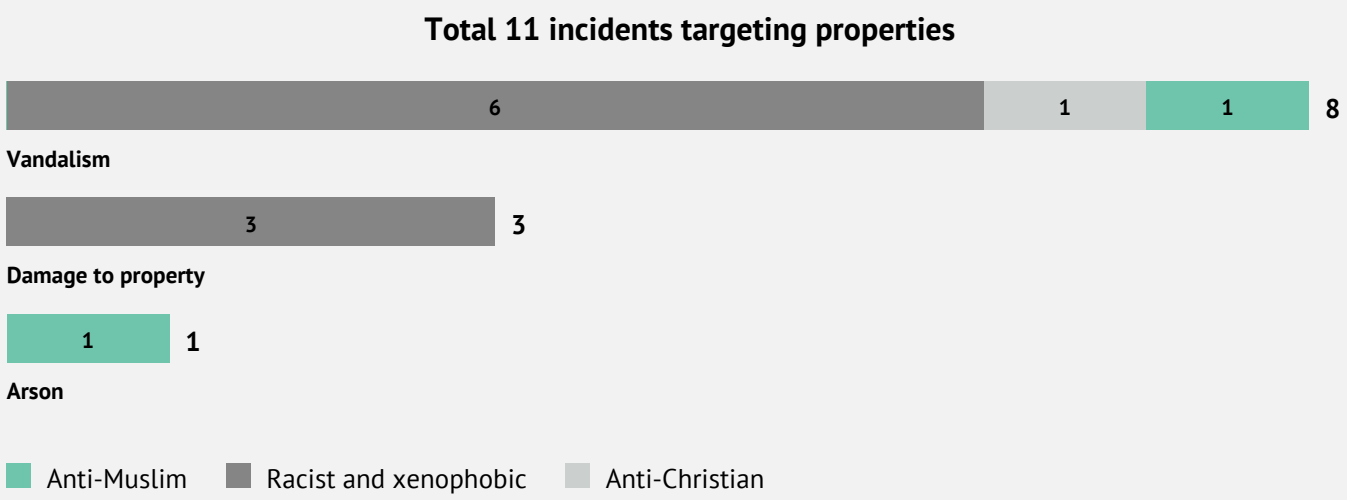

Please note that the total number of incidents may be lower than the sum of incidents presented in the breakdown chart above, as some incidents involve multiple bias motivations.
