Summary

Poland regularly reports hate crime data to ODIHR. Several public bodies are involved in monitoring and/or collecting data on hate crimes, primarily the police and the Prosecutor's Office. Hate crime data are regularly published.

There is a high degree of hate crime specialization in both police and prosecutor structures. More than 100 specialist hate crime prosecutors have been appointed, and a network of hate crime co-ordinators was established in the police in 2014. In 2015, following a request by the lower house of parliament, ODIHR provided a [legislative review](#) of proposed changes to the Criminal Code of Poland, including on hate crime provisions.

In 2023, Polish police participated in a three-day train-the-trainer workshop as part of ODIHR's Training Against Hate Crime for Law Enforcement (TAHCLE). In 2018, the Ministry of the Interior, ODIHR and the EU Fundamental Rights Agency co-organized a workshop on understanding and improving hate crime recording and data collection based on ODIHR's Information Against Hate Crimes Toolkit (INFAHCT) programme. In 2019, ODIHR co-operated with the Commissioner for Human Rights in Poland to issue a [report](#) on the nature and scale of unreported hate crimes against members of selected communities in Poland.

A draft bill is being developed to amend the Penal Code to strengthen criminal law protection against criminal discriminatory grounds for conduct on the basis of disability, age, gender, sexual orientation, and gender identity.
