### 1 2009

### **Summary**

Poland regularly reports hate crime data to ODIHR. Several public bodies are involved in hate crime monitoring and/or data collection, such as the Police and the Prosecutor's Office. Hate crime data are regularly published.

There is a high degree of hate crime specialization in both police and prosecutor structures. More than 100 specialist hate crime prosecutors have been appointed, and a network of hate crime co-ordinators was established within the police in 2014. In 2015, following a request by the lower house of parliament, ODIHR provided a legislative review of proposed changes to the Criminal Code of Poland, including hate crime provisions.

In 2023, Polish police participated in a three-day train-the-trainer workshop as part of ODIHR's Training Against Hate Crime for Law Enforcement (TAHCLE). In 2018, the Ministry of the Interior, ODIHR and the EU Fundamental Rights Agency coorganized a workshop on understanding and improving hate crime recording and data collection based on ODIHR's Information Against Hate Crimes Toolkit (INFAHCT) programme. In 2019, ODIHR co-operated with the Commissioner for Human Rights in Poland to issue a report on the nature and scale of unreported hate crimes against members of selected communities in Poland. In 2016, Polish prosecutors participated in a three-day train-the-trainer workshop as part of ODIHR's Prosecutors and Hate Crime (PAHCT) programme.

Hate crime data collection in Poland Support for hate crime victims in Poland Hate crime capacity building in Poland Poland's hate crime legislation
