Summary

Portugal regularly reports information on hate crimes to ODIHR. The Ministry of Justice and the Prosecutor's Office collect data on hate crimes.

In 2018, the Ministry of Justice, ODIHR and the EU Agency for Fundamental Rights co-organized a workshop to improve hate crime recording and data collection, based on ODIHR's Information Against Hate Crimes Toolkit (INFAHCT). The workshop resulted in a set of recommendations for relevant state authorities.

Portugal has launched a series of action plans in recent years to combat discrimination, including a plan to combat racism (PNCRD 2021 - 2025), the National Strategy to Combat Poverty and Social Exclusion, the National Strategy for Equality and Non-Discrimination (2018-2030), the National Implementation Plan of the Global Compact for Migration, the National Roma Communities Integration Strategy (2013-2022), and the National Programme on Holocaust Remembrance.
