1 2021

Summary

The Russian Federation last reported hate crime data to ODIHR for the 2020 Hate Crime Report.

Hate crime data collection in Russia
Support for hate crime victims in Russia
Russia's hate crime legislation

ODIHR's Key Observation

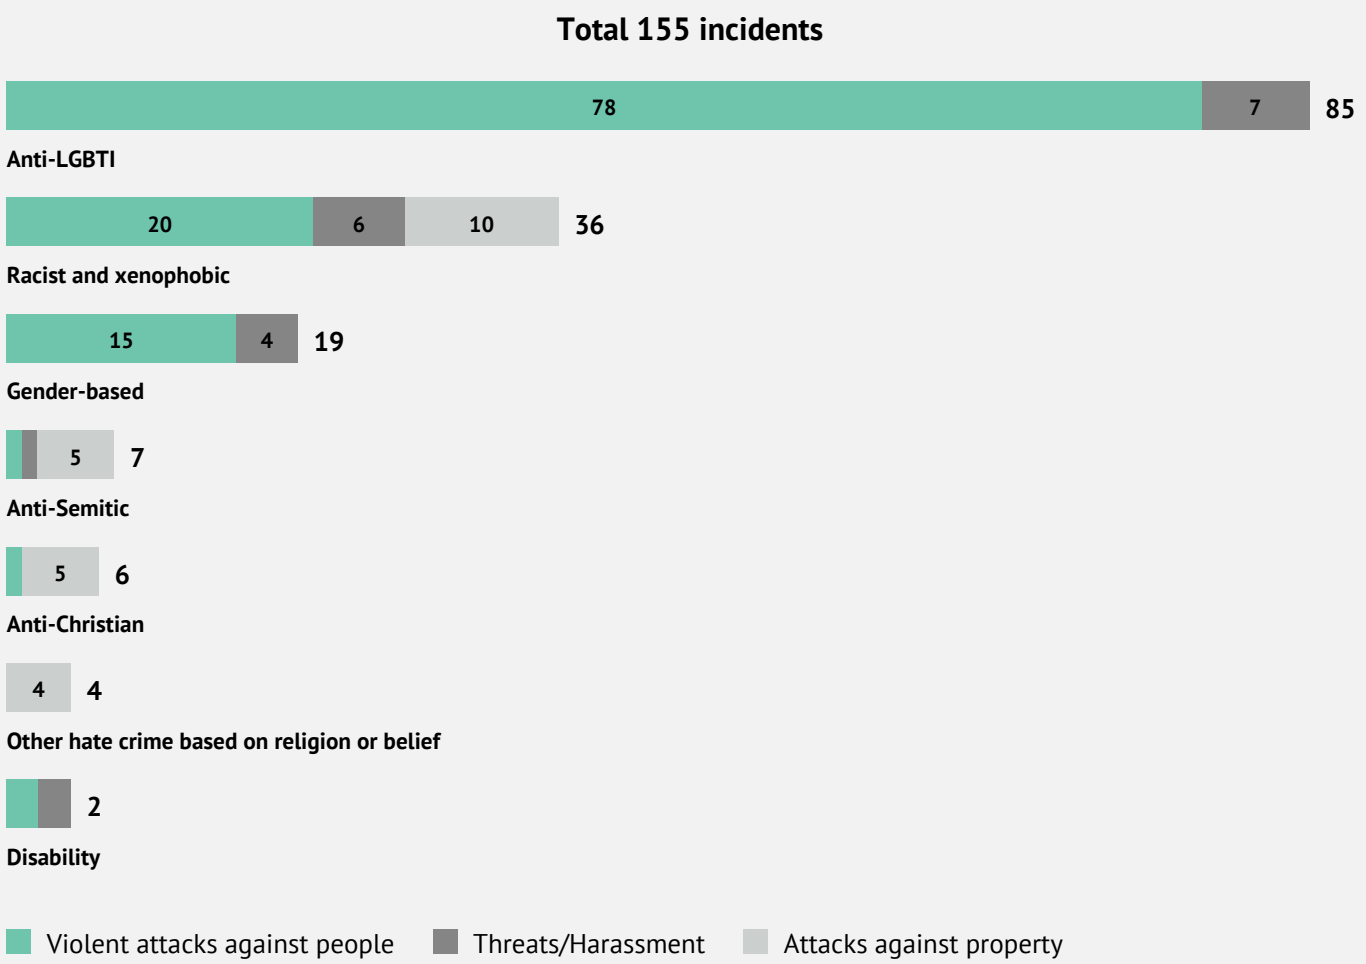

ODIHR recognizes the Russian Federation's efforts to regularly report on hate crimes to ODIHR, but regrets that information and data on hate crime were not reported for 2021. In addition, ODIHR observes that the Russian Federation would benefit from reviewing its existing legal framework to ensure that bias motivations can be effectively acknowledged and appropriate penalties can be imposed on the perpetrators.

Official Data

Year	Hate crimes recorded by police	Prosecuted	Sentenced
2021	not available	not available	not available

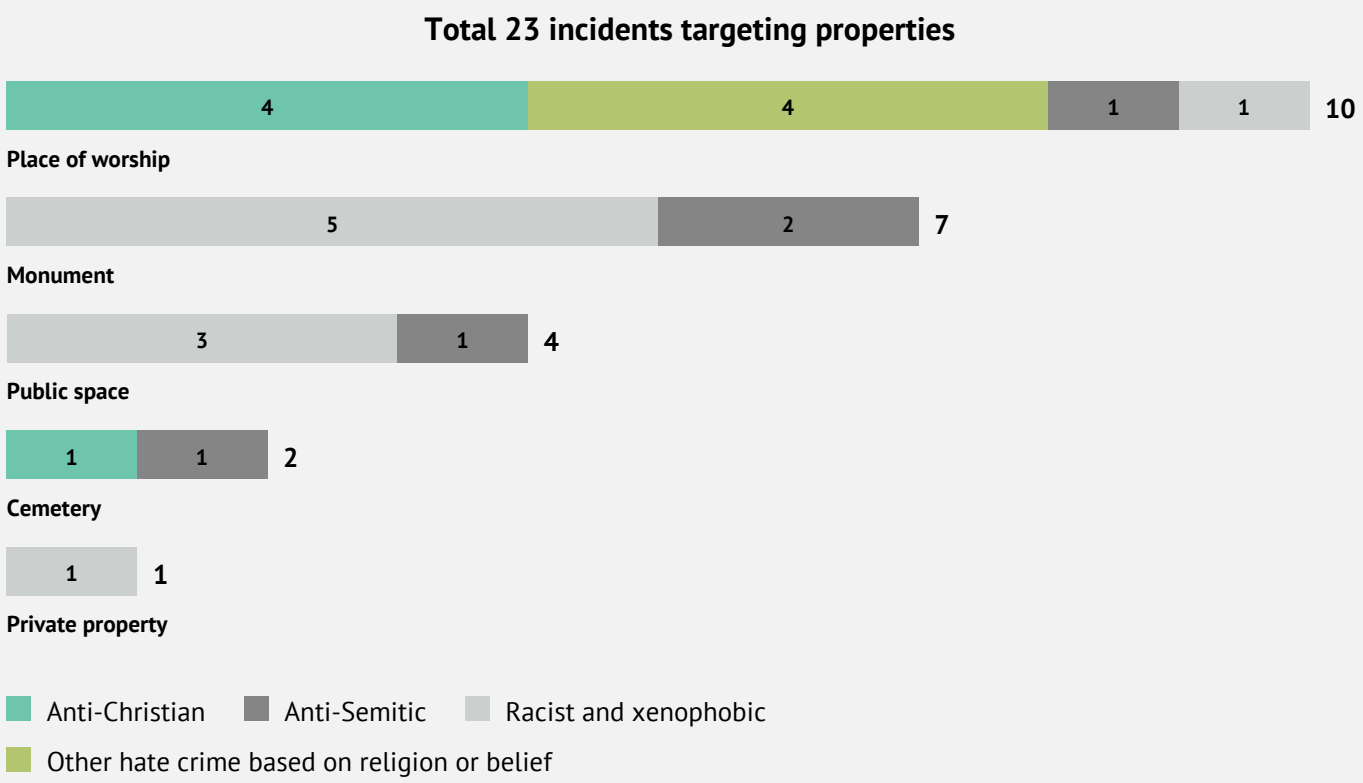

No data reported to ODIHR.

Incidents reported by civil society

Please note that the total number of incidents may be lower than the sum of incidents presented in the breakdown chart above, as some incidents involve multiple bias motivations.
