Summary

Serbia regularly reports data on hate crimes to ODIHR. In 2018, the Office of the Prosecutor General, with the support of the OSCE Mission to Serbia and ODIHR, developed Guidelines for the prosecution of hate crimes in the Republic of Serbia. A network of contact persons working on hate crime within the prosecution services was established and, with the OSCE Mission's assistance, the Judicial Academy has developed, integrated and implements a hate crime training plan and programme.
