Summary

Serbia regularly reports data on hate crimes to ODIHR. In 2018, the Office of the Prosecutor General, with the support of the OSCE Mission to Serbia and ODIHR, developed *Guidelines for the prosecution of hate crimes in the Republic of Serbia*. A network of contact persons working on hate crime within the prosecution services was established and, with the OSCE Mission's assistance, Serbia's Judicial Academy has developed, integrated and implemented a hate crime training plan and programme.
