Summary

Spain regularly reports hate crime data to ODIHR. Spain publishes annual reports on hate crimes.

The Ministry of Interior has a dedicated protocol that regulates how law enforcement handles hate crime cases and sets out the specific rights of hate crime victims. Within the Ministry, the Spanish National Office Against Hate Crimes (ONDOD) is responsible for the Hate Crime Action Plan (adopted for 2019-2021, 2022-2024 and 2025-2028). Currently, the Action Plan covers the areas of victim support, hate crime prevention, training and awareness raising, co-ordination among state authorities, civil society and the private sector, development of a monitoring and co-ordination system for hate crime investigation, and the allocation of adequate human resources for the National Police and the Civil Guard.

In 2023, Spain implemented a new national Strategic Framework against racism and xenophobia.

In 2019, Spain implemented ODIHR's Training Against Hate Crime for Law Enforcement (TAHCLE) programme, and the Prosecutor General's Office has established a network of dedicated hate crime prosecutors across the country. A regional TAHCLE was implemented in Valencia in 2016.

National Developments

In 2013, Spain launched a nationwide mapping of discrimination. This multi-faceted project aims to analyse discrimination across the country, and will result in a national survey of discrimination as well as a map of the services available to victims of discrimination and hate crimes.

In addition, specialized Prosecutors for Criminal Discrimination units, headed by a Chief Prosecutor, were introduced in all provinces.
