Summary

Spain regularly reports hate crime data to ODIHR. Spain publishes [annual reports](#) on hate crimes.

Spain implemented ODIHR's Training Against Hate Crime for Law Enforcement (TAHCLE) programme in 2019, and the Prosecutor General's Office has established a network of dedicated hate crime prosecutors across the country. A regional TAHCLE in Valencia was implemented in 2016.

The Ministry of Interior has a dedicated [protocol](#) that regulates how law enforcement handles hate crime cases and sets out the specific rights of hate crime victims. Within the Ministry, the Spanish National Office Against Hate Crimes (ONDOD) is responsible for the [Hate Crime Action Plan](#) (adopted for 2019-2021, 2022-2024 and 2025-2028). Currently, the Action Plan covers the areas of victim support, hate crime prevention, training and awareness raising, co-ordination among state authorities, civil society and the private sector, development of a monitoring and co-ordination system for hate crime investigation, and the allocation of adequate human resources for the National Police and the Guardia Civil.

In 2023, Spain implemented a new national Strategic Framework against racism and xenophobia
