### Summary

Ukraine regularly submits data on hate crimes to ODIHR. In 2019, the National Police of Ukraine and the Ministry of Internal Affairs worked with ODIHR to publish an information booklet on [Categorizing and Investigating Hate Crimes in Ukraine: A Practical Guide](#). Ukraine's National Human Rights Strategy includes an objective to "create a system for preventing, combating, documenting and investigating hate crimes". In 2020, a working group co-ordinated by the Human Rights Commissioner of the Ukrainian Parliament was created to improve hate crime recording procedures.

### ODIHR's Key Observation

ODIHR recognizes Ukraine's efforts to improve its hate crime recording mechanisms, including through collaboration with civil society. Continuing in such efforts is encouraged as, based on the available information, Ukraine's hate crime recording and statistics do not sufficiently distinguish hate crimes from other crimes. In addition, ODIHR observes that Ukraine would benefit from raising awareness among and building the capacity of criminal justice officials to address hate crimes.

The law provides an extended and open list of protected characteristics in the Criminal Code under the general penalty enhancement provision (Article 67) and specific penalty enhancements provisions (Articles 115, 121, 122, 126, 127, 129, 130, 161), including "race", skin colour, religious beliefs, sex, disability, ethnic origin, citizenship, sexual orientation, gender identity, and language, among others.
